MALOUF BASE APP

Malouf Base

Malouf Adjustable Bed Base

- Manual controls: Adjust head and foot incline, lumbar support, and head tilt
- Automatic controls: Select from your favorite preset positions
- Massage controls: Choose type of massage and duration
- Alarm clock: Wake up every morning to your chosen preset position

With the Malouf Base app, you can adjust your sleep preferences from a single touch on your mobile device—giving you full control over your personal comfort. Download the app on your iOS or Android device and connect it with your adjustable base for the ultimate luxury and relaxation.

DOWNLOAD APP TO YOUR DEVICE

- 1 Search “Malouf Base” in App Store or Google Play.
- 2 Select “Get” on your iOS device or “Install” on your Android device.
- 3 Enable Bluetooth® on your device.
- 4 Open Malouf Base app. Select “scan” to find your adjustable base. Once connected, tap on the base to edit the name.
- 5 Enjoy the benefits of sleeping elevated.
